

# 'Dress A Band Student' Uniform Drive

The MCHS Marching Bulldog Band Performing at the Northeast Georgia Marching Exhibition, September 27, 2011

## Our Goal: \$52,000

Our band is growing and so is our need for uniforms. In the next three years we anticipate having more band members than we have uniforms. This is a good problem to have. Our present uniforms are 12 years old while our hats are 25! The normal life of a uniform is 7 - 10 years. Our band wants to look our very best on our home field as well as away, especially as we join the ranks of competitive marching. Replacing our uniforms is an expensive task and we need your help!

I would like to 'Dress A Band Student.' Enclosed is my check in the amount of \_\_\_\_\_.
