March 2010

Dear Parents of Current Bullpups:

It is hard to believe that we are nearing the end of the 2009-2010 school year. One of the most important parts of our preparing for the next school year is the development of class and team rosters. We take this process very seriously and value parent input as part of the planning. On the back of this letter is an information sheet you may complete if you are interested in providing the information. We will use the information in a confidential manner.

We believe that all of our teachers and teams have unique talents and strengths. Occasionally teachers switch teams and/or grades due to staffing needs or their request. Therefore, it has become impossible to meet requests for specific teachers or teams. For this reason, we ask that you do not make a request for a particular teacher or team.

We recognize the importance of friends to middle school children and try to ensure that each team is well balanced. Our middle school provides great opportunities for students to meet and get to know new friends as well! As our teams switch classes each period and therefore change groups, students on the same team may or may not have the same schedule. Therefore we ask that parents do not request to have a student placed with a particular friend or group as one student's educational needs may not fit the needs of another.

If your student is currently in band or chorus at MCMS and is not interested in taking this course again next year, we ask that you notify the teacher and indicate your request on the survey. If your student is interested in joining either of these programs please contact Mrs. Karisa Seymour (band) at Karisa.Seymour@morgan.k12.ga.us or Ms. Laura Foster (chorus) at Laura.Foster@morgan.k12.ga.us.

During the summer, you will be notified by mail once team assignments have been made. We apologize but we will be **unable** to change assignments. We value your input in the development of classes and hope you will respond by returning the information sheet to me at the school (mail or hand-delivered) **by March 31, 2010**. We must have this information by this date so that we can plan accordingly.

We look forward to the 2010-2011 school year being a great one.

Sincerely,

Mrs. Patti Baldwin
Assistant Principal
Morgan County Middle School
