9/9/2020

Dear Parents/Guardians,

This letter includes important information about changes to the Morgan County Charter School System Nutrition Department that may affect your child's account. Please take time to read the letter in its entirety.

As we continue to deal with the effects of COVID-19, it is with great appreciation that I share with you that thanks to the USDA, all students in Morgan County will be able to eat breakfast and lunch for free effective immediately until December 31<sup>st</sup>, 2020 or whenever the funding for reimbursement runs out.

While this is great news, it is still imperative that families who may qualify for free/reduced meals complete the application so that when this money does run out, your child will not accrue unnecessary charges. If you have not already completed an application for the 2020-2021 school year, your child's status from last year has been carried over to this year but will expire on September 17, 2020. You may complete the application online at [www.myschoolapps.com](http://www.myschoolapps.com). Please note that ala carte items and extras may still be purchased at additional cost.

This allowance is not only for students of Morgan County Charter School System. All Morgan County children ages 18 and under are eligible to receive meals. If your child is not a student at Morgan County Charter School System, or is a student but is attending school virtually, your meals will need to be ordered and picked up each week. At this time, we will be offering meal pick up 5 days' worth of breakfast and lunch on Mondays from 9:00-10:00 at each school. The order form can be found on our website at [www.morgan.k12.ga.us](http://www.morgan.k12.ga.us) and the order form is open from Wednesday evening until Friday at 12:00P.M. each week.

If you have any questions, please feel free to reach out to me through email at [kim.johnson@morgan.k12.ga.us](mailto:kim.johnson@morgan.k12.ga.us) or call at 706.752.4600.

Sincerely,

*Kim Johnson*
