

DISTRICT IMPROVEMENT PLAN GOALS

2018-2019

Overarching NEED 1 – Reduce the achievement gaps in student subgroups.

GOAL: Reduce the achievement gap between ED students and ALL student subgroups by 6% over the next three years.

- **Improve student engagement through the implementation of Project Based Learning Instructional Model**
- **Involve community partners, parents and other stakeholders in PBL**
- **Use MAP assessment data to adjust instruction to address literacy gaps between subgroups**
- **Adjust curriculum, instruction and assessment to address changes in state standards**
- **Train leaders and faculty on the use of RTI process and platform developed by the system**
- **Develop vertically aligned academic and behavioral RTI interventions**

Overarching NEED 2 – Improve leadership development and retention

GOAL: Develop an Aspiring Leader/New Leadership Academy by FY2019

- **Develop and implement an Aspiring Leader Academy**
- **Develop and implement a NEW Leader Academy**
- **Train new leaders/aspiring leaders on district initiatives and improvement efforts**
- **Train leaders on School Governance Teams on roles and responsibilities**
- **Train leaders on school safety procedures and school code of conduct.**
