# COVID-19 PREVENTION STRATEGIES FOR 2020-2021

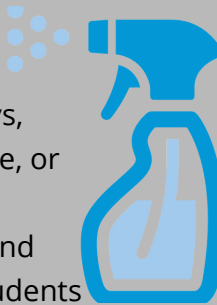

## Safety

- All students and employees who are sick are required to stay home.
- Employees and students who become sick or exhibit symptoms at school or work will be immediately isolated and not allowed to remain at school.
- Staff and students are strongly encouraged to wear cloth face coverings.
- In particular, staff and students should wear a face covering in times when physical distancing is difficult.

## Enhanced Cleaning

- Enhanced cleaning and disinfecting will take place at all facilities.
- Frequently touched surfaces (playground equipment, door handles, sink handles, drinking fountains) within the school and on school buses will be cleaned and disinfected at least daily or between use as much as possible.
- Use of shared object (gym or physical education, art supplies, toys, games) will be limited when possible, or cleaned between use.
- Drinking fountains will be cleaned and sanitized regularly, but staff and students are encouraged to bring their own water to minimize touching.

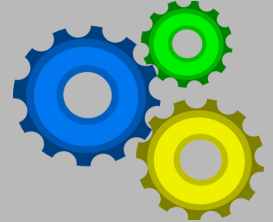

## Transportation

- Buses will be cleaned and disinfected daily.
- Students and staff will be required to wear a face covering on the bus.
- Hand sanitizer will be available for students and bus drivers.
- Field trips will be limited.

## School Logistics

- Non-essential visitors, volunteers, and activities involving external groups or organizations will be limited.
- Assemblies will be limited to smaller groups of students.
- Unused desks and furniture in classrooms will be removed to establish distance between the teacher's desk/board and students' desks.
- Identify and utilize large spaces (i.e. gymnasiums, auditoriums, outside spaces- as weather permits) for social distancing
- All schools will have a room to isolate symptomatic individuals.

## Wellness

- Hand sanitizing stations installed in school hallways and classrooms.
- School employees will teach and reinforce healthy hygiene practices.
- Hand washing and sanitizing will be encouraged throughout the day.
- Staff and students will be encouraged to practice social distancing to the extent possible.

## Meal Service

- Each school will provide meals in the classroom, outside, or in the cafeteria with a reduced number of students.
- Cleaning of cafeterias and high-touch surfaces throughout the school day.
- Hand sanitizer will be available for students and staff.
